ABOUT THE DEPARTMENT

Lackawanna College's *Public Safety Department* is the branch of the college whose primary function is to assist students, faculty, staff and visitors in matters involving health and safety, order, information, parking and issues impacting upon student quality-of-life. Utilizing uniformed officers, the Public Safety Division's staff is easy to access and highly visible throughout the college's Scranton Campus.

Public Safety Officers function in many capacities. They regulate and enforce vehicle parking regulations on campus; conduct random rounds throughout the campus to ensure a safe environment and check compliance with college rules and regulations; identify safety concerns, maintenance problems and security risks; offer assistance to anyone on the college's grounds; and investigate and resolve problems and complaints.

All Public Safety Officers have been properly trained in the performance of their duties. Such training includes Cardio-Pulmonary Resuscitation (CPR), First Aid certification and lethal weapons training sufficient to qualify for Pennsylvania ACT 235 certification. All full time officers, however, vastly exceed these requirements and are qualified to serve as Municipal Police Officers having completed Pennsylvania's ACT 120 Training. In addition, they periodically attend advanced safety training courses.

Public Safety Officers exist to serve the college community so do not hesitate to request assistance when necessary.

Since the Scranton Campus falls under the jurisdiction of the Scranton Police Department, the Department of Public Safety works in close cooperation with the Scranton Police concerning criminal investigations, traffic accidents or other police related matters. Under the direction of Chief Carl Graziano, cooperation between Scranton Police and the college is consistently excellent. In addition The Department of Public Safety maintains a close working relationship with the Lackawanna County District Attorney's office and the Pennsylvania State Police.

The College also operates Educational Centers in Lake Region, New Milford, Towanda and the City of Hazleton. The staffs of these Centers work with both the Department of Public Safety and their respective municipal police in maintaining security.

Thank you,

Gary H. Shoener

Reporting a Crime

To report a crime contact the Department of Public Safety at the number listed above.

Emergency Notifications

Campus wide notification regarding emergencies is issued via various means, including but not limited to text messaging, the college home portal web page (portal.lackawanna.edu) and campus wide email. In order to receive text messaging notifications students, faculty and staff must sign up with the College's Emergency Notification System.

The College will initiate an emergency notification (active shooter, tornado or chemical spill) without delay and, taking into account the safety of the campus community, determine the content of the notification and initiate the notification system. That is, of course, unless a notification will, in the professional judgment of appropriate college officials, compromise efforts to assist a victim or contain, respond to, or otherwise mitigate the emergency.

Timely Notice / Community Advisories

The Department of Public Safety will publish a crime alert within 24 hours of an incident to aid in the prevention of similar crimes. The notice will apply to all crimes listed in the Clery Act. An e-mail will be sent to the entire College community. Lackawanna College also communicates with other colleges and universities to exchange valuable and timely information.

Crime Log

In compliance with federal law, Lackawanna College Public Safety maintains a crime log that provides a list of all crimes that occur on campus that have been reported. The crime log is updated daily and may be reviewed 24 hours a day, 7 days a week online at portal.lackawanna.edu. In addition, the Director of Public Safety maintains a current up to date log that is available upon request.

Missing Students

It is policy to follow official notification procedures for missing students who reside in on-campus housing in accordance with the Higher Education Opportunity Act of 2008.

If a member of the campus community has reason to believe that a student who resides on campus has been missing for 24 hours, the individual should immediately report the incident to the Department of Public Safety at the numbers listed above.

Sex Offender Registry and Access to Related Information

The Federal Campus Sex Crimes Prevention Act, enacted on October 28, 2000, went into effect October 28, 2002. It also requires sex offenders already required to register in a state to provide notice of each institution of higher education in that state which the person is employed, carries on a vocation, volunteer services or is a student.

Fire Alarms

Lackawanna College takes Fire Safety seriously. All residence Halls at Lackawanna College have a state of the art fire system and are equipped and have water flow sprinklers systems as well as smoke detectors in each sleeping area. In addition, smoke detectors and fire extinguishers have been strategically placed in all buildings on campus to protect life and property. Fire extinguishers are checked on regular basis and tested annually in compliance with applicable laws.

The sophisticated alarm system is monitored 24 hours a day. Public Safety personnel are dispatched and respond immediately to any alarm condition. We value your privacy as well as your safety. Every attempt will be made to turn off the warning horns as soon as it has been ascertained that no danger exists. All students, visitors, faculty members, administrators and classified personnel must consider the ringing of the fire alarm as a bona fide emergency signal and react accordingly. Upon the sounding of the fire alarm, all rooms in the dormitory building will be evacuated in an orderly fashion and as rapidly as possible.

Vandalizing the alarm system, covering smoke detectors or illegally discharging fire extinguishers are serious offenses. Every effort will be made to identify persons who compromise public safety through such acts. Offenders will be charged by local law enforcement and also referred for appropriate disciplinary action.

SMOKING is not permitted in buildings

THE FOLLOWING ITEMS ARE PROHIBITED TO PREVENT FIRE OR SPREAD OF FIRE:

- | | |
|-----------------------|-----------------------------|
| - Candles | -Portable heaters |
| -Hot plates | -Extension cords |
| -Ceiling tapestries | -Halogen lamps |
| -Live Christmas Trees | -Heat generating appliances |

Training:

Fire prevention, evacuation and fire extinguisher training are provided for all Resident Directors, Resident Assistants and other staff members.

Fire Drills:

Two Fire Drills are conducted each semester in residents' halls.

Evacuation Procedures

1. If you discover a fire or smell smoke, sound the building fire alarm. Fire alarm pull stations are located at each exit.
2. When the fire alarm sounds, leave at once. Close all doors behind you. Proceed into the fire exit and leave the building. After leaving the building, keep moving for at least 200 feet and proceed to designated rally point. Do not reenter until given permission by appropriate college official.

McKinnie Hall Residents staging area: parking area across from the dormitory on the corner of Vine and Wyoming Avenue. Use Caution when crossing the street.

Seeley Hall Residents staging area: proceed to parking lot of Healey Hall located across the street on North Washington Avenue. Use Caution when crossing the street.

Tobin Hall Residents staging area: proceed to the corner of Jefferson Avenue and Vine Street (the front of the Lackawanna College Student Union).

3. Do not use elevators. Smoke could enter the elevator shaft thereby asphyxiating the occupants trying to evacuate the building therefore, the elevator will shut down upon the activation of the fire alarm.
4. Feel the door that leads from your area to the corridor before opening it. If it is hot or smoke is seeping in, do not open it. If you become trapped in your location and cannot reach the fire exit, keep the door closed and seal off any cracks. Use a phone and contact 9-1-1. Make sure you give your name and exact location to the dispatcher.
5. People with Mobility Limitations: A responsible person or persons that may be in the area of the person with a mobility limitation may be needed to assist in the event of a fire. These persons are taken into the fire exit and will remain on the landing. Once situated on the stairwell landing, dial 9-1-1 and let the dispatcher know the

situation. Public Safety will respond and / or the local fire department to assist with your evacuation.

6. If caught in smoke or heat, stay low where the air is better. Take short breaths (through your nose) until you reach an area of refuge.

Depending on the nature of the concern, students can resolve problems by following the successive levels of review as indicated below.

Students not satisfied with results at one level should go on to the next level.

If a situation concerns alleged discrimination where steps other than the normal level-to-level ones are required, department heads/directors will be contacted immediately by an Affirmative Action Officer.

APPENDIX I

What is Title IX?

Title IX of the Education Amendment of 1972 is a federal civil rights law that prohibits discrimination on the basis of sex in federally funded education programs and activities. Under Title IX, discrimination on the basis of sex can include sexual harassment or sexual violence, such as rape, sexual assault, sexual battery, and sexual coercion.

Lackawanna College has a duty, in accordance with Title IX, to take immediate and appropriate action once it knows, or reasonably should have known, of any sexual misconduct/sexual harassment incidences.

If the sexual assault, sexual harassment, or sexual violence act poses an immediate threat to the college community, the college must issue an immediate warning to all members of the campus.

Notice of Non-Discrimination

Lackawanna College will not discriminate in its educational programs, activities, or employment practices, based on race, color, national origin, sexual orientation, disability, age, religion, ancestry, union membership, or any other legally protected classification.

Announcement of this policy is in accordance with State Law including the Pennsylvania Human Relations Act and with Federal Law including Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, and Americans with Disabilities Act of 1990.

Who is Covered by Title IX?

Any educational institution receiving federal funding is covered by Title IX. Title IX applies to all members of Lackawanna College community including students, staff, faculty, administrators, contractors, visitors, third parties and to all programs and activities that take place either on or off campus.

In accordance with Title IX of the Education Amendments of 1972, Lackawanna College will not tolerate any type of sexual misconduct.

All complaints of sexual misconduct should be brought immediately to the attention of Lackawanna College's Title IX Coordinator, Marsha Pigga
(570)955-1466 / (570)677-7589.

Our Title IX Coordinator

The Title IX Coordinator is responsible for overseeing, investigating, and responding to all Title IX complaints. Responsibilities include:

- ◆ Receiving and investigating reports promptly and efficiently.
- ◆ Training and educating faculty, staff, and students on Title IX compliance.
- ◆ Reporting all incidences of sexual harassment, violence, and assault to Campus Security in accordance with reporting requirements.
- ◆ Maintaining confidential records of all formal and informal complaints of sexual misconduct.

Consent

Consent: An active and positive exchange of words or actions that indicate a willingness to participate freely and voluntarily in mutually agreed upon sexual activity.

Consent is:

- ◆ Voluntary agreement to engage in sexual activity.
- ◆ Approval that can be withdrawn at any time.

Consent cannot be given if a person is:

- ◆ Physically or mentally incapacitated due to alcohol or other drugs – this means if a person is drunk or high, they cannot give consent to engage in sexual activity.
- ◆ Unconscious.
- ◆ Asleep.
- ◆ Under the age of consent.
- ◆ Physically or mentally impaired.

Remember, the only way to guarantee consent is to make sure it is offered verbally at each step of sexual activity.

Signs of Non-Consent

- ◆ **Verbal Refusal :** When someone says “no” or “don’t do that” or “please stop” or “I don’t want to do this.”
- ◆ **Implied Verbal Refusal:** When some says “I don’t think I want to go this fast” or “I’m not sure I want to do this.”
- ◆ **Physical Resistance:** Trying to get away, freezing up, trying to leave, rolling over or away, pushing away, moving someone’s hands, trying to put clothes back on.

***If sexual activity continues after any of these indicators, a crime has been committed.**

Every individual has the right to give or withhold consent at any time and in any situation.

Stalking: A course of conduct directed at a specific person that involves repeated visual or physical proximity, nonconsensual communication, or verbal, written, or implied threats, or a combination thereof, that would cause a reasonable person fear.

Examples of this behavior include:

- Repeated undesired contact (phone calls, emails, letters, show up unexpectedly, etc.).
- Following or laying in wait for the individual.
- Making threats to the individual or her/his family.
- Any other behavior used to contact, harass, track, or threaten the individual.

Cyberstalking: Threatening behavior or unwanted advances directed at another using the Internet and other forms of online and computer communications. The use of technology to stalk is increasing due to the rapid development of technology in today's world. Cyberstalking is a form of "personal terrorism." Similarly, cyberstalking may precede offline stalking, sexual assault, physical violence, or even murder.

Cyberstalking can take forms such as:

- Threatening/obscene emails.
- Live chat harassment or flaming (online verbal abuse).
- Harassment through texting.
- Hacking and/or monitoring a victim's computer and internet activity.
- Forming a website in honor of a victim.
- Off-line stalking/harassments such as following a victim or actual physical contact between a stalker and his/her victim.

**Steps you can
take, and
resources
available in the
event you
experience
sexual
assault:**

1) Get to a safe place

Find a safe environment (friends, family).

2) Report it

Scranton Campus:
Contact Public Safety
(570)961-7899 / (570)241-2022

Other Campuses Contact:
Police at 911 or the Pennsylvania State
Police (570)963-3156

Reporting the sexual assault is the choice of the victim, and reports may be filed through campus security, local police, and the Student Wellness Program. Reports made to campus officials are ensured to remain secure, as the College respects the dignity and worth of the individual and their rights to confidentiality.

3) Preserve evidence

This may include but is not limited to:

Do not bathe, change or dispose of clothing, use the restroom, wash your hands, brush your teeth, eat or smoke. If you are still in the location at which the assault occurred, do not clean anything. Write down all the details you can recall about the assault and the perpetrator.

4) Get medical attention as soon as possible

Seek professional medical attention for treatment of injuries sustained and for prevention of any sexually transmitted diseases that may occur due to the sexual assault. It is best to report incidences within 72 hours of when they occurred, and to preserve any evidence.

It is important to get medical attention because besides treatment for observable physical injuries, the possibility of the spread of sexually transmitted diseases (STD's) needs to be addressed following a sexual assault. An individual who has experienced an assault may be unaware of contracting a STD until symptoms appear. Also, it is possible to get pregnant from a sexual assault, and medical attention can help an individual address this concern.
