Lackawanna College Mission

Lackawanna College's mission is to provide a quality education to all persons who seek to improve their lives and better the communities in which they live.

LCEEC Mission

The Environmental Education Center is committed to educating the students of Lackawanna College and the citizens of Northeast Pennsylvania through innovative approaches leading to sustainability.

LCEEC is located on 211-acres of beautiful forest in Covington Township, PA. The 5,000 square-foot facility is LEED Gold-certified and uses an Integrated Design Process. Specific design features include a wind turbine, a geothermal HVAC system, a solar photovoltaic array, daylight harvesting, and a low energy design plan.

Green Event Education

Decisions regarding the use of our facilities are made with principals of sustainability in mind. Our policy requires green practices to reduce the environmental impact of your event. Every group, organization, or individual will receive educational information on how to conduct a green event. This is the perfect setting to host a variety of green events including:

- Academic Programs**
- Business Meetings**
- Trainings & Workshops**
- Group or Club Programs**
- Conferences**
- Retreats & Corporate Events**
- Parties & Showers**
- Kids Nature Birthday Parties**

LCEEC can add a nature program, informative talk, or team building activity to any event for an additional fee. Call for pricing.
